Bringing big-city technology to our region, FIRST.

DOCTORS should know

- ▶ We embrace the newest technology like our new:
 - CT
 - Ultrasound
 - MRI
 - PET/CT
- ▶ Our nationally-known, board certified radiologists are onsite for consultation.
- ▶ Our reports and images are available anywhere you have an internet connection.
- ▶ We keep it local. 99% of imaging requests can be completed at Littauer.

PATIENTS should know

- ▶ Our state-of-the-art technology allows us to detect diseases earlier.
- ▶ We are committed to providing you with the lowest radiation doses.
- ▶ We keep your comfort in mind, with quick and effective imaging.
- ▶ We have the right team. Our staff is compassionate, experienced and excel in their field.
- ▶ We are all digital which is better for Mother Earth.
- ▶ The revolution has just begun!
