About The EVENT 2014

Imagine yourself at the region's premier EVENT traveling to the Emerald City. What began as an annual fundraiser for Nathan Littauer in 2002, has quickly grown into the most anticipated evening of the season. Last year's theme, That Hollywood EVENT featured spectacular décor, food and entertainment, raising over \$100,000 for Nathan Littauer Hospital.

The EVENT is no ordinary gala. Each year a new, exciting theme is selected to elevate the guest experience. It is a unique and exciting way to support health care excellence in our community. This year's EVENT, *An Evening in OZ*, will help offset the cost of our Olympus High Definition Urology System that is enhancing the urological care available to our community. Growth that will allow us to continue to pursue, secure and deliver excellence for years to come!

Please join us for a very memorable evening on Friday, May 30, 2014; 7 pm at The Eccentric Club, 109 North Main Street, Gloversville, NY 12078.
