Important Information about Paying for Your Care at

Nathan Littauer Hospital & Nursing Home

Nathan Littauer Hospital & Nursing Home is a participating provider in many health plan networks. You can obtain a list of the plans in which we participate from any registration representative or at **WWW.NLH.ORG**. Some health plans use smaller networks for certain products they offer so it is important to check whether we participate in the specific plan you are covered by. Our list will tell you if we do not participate in all of a health plan's products.

It is also important for you to know that the physician services you receive in the hospital are not included in the hospital's charges. Physicians who provide services at the hospital may be independent voluntary physicians or they may be employed by the hospital. Physicians bill for their services separately and may or may not participate in the same health plans as the hospital. You should check with the physician arranging your hospital services to determine which plans that physician participates in. Plan participation information for physicians employed by the hospital can be obtained from any registration representative or at **WWW.NLH.ORG**. Nathan Littauer Hospital and Nursing Home contracts with a number of physician groups, such as radiologists, pathologists, emergency room physicians and hospitalists to provide services at the hospital. Contact information for the physician groups the hospital has contracted with is available from any registration representative or at **WWW.NLH.ORG**. You should contact these groups directly to find out which health plans they participate in.

You should also check with the physician arranging for your hospital services to determine whether the services of any other physicians will be required for your care. Your physician can provide you with the name, practice name, mailing address and telephone number of any physicians whose services may be needed. Your physician will also be able to tell you whether the services of any physicians employed or contracted by Nathan Littauer Hospital & Nursing Home are likely to be needed, such as radiologists, pathologists, emergency room physicians and hospitalists. Contact information for these physicians is available from any registration representative or at **WWW.NLH.ORG**. You should contact these groups directly to find out which health plans they participate in.
