#### HERE WE GROW AGAIN! Setting the foundation for Littauer's Dialysis Center

*Littauer begins* in-patient dialysis

Congratulations, Littauer! We are now ISO-9001 certified

#### Foundation's Kelly Colby receives the 2016 Ruth S. Voorhees Award

Strike/Lockout AVERTED, Littauer and NYSNA reach tentative agreement

Tammy Merendo, RN New HealthLink Director

oital, with ction site

#### Director's Message:

We have had many proud moments during the summer of 2016. Crews are working

on construction of our new outpatient dialysis center. Equipment, installations and renovations for inpatient dialysis and associated diagnostic services are nearing completion. We achieved ISO-9001 certification joining an elite class of organizations meeting these stringent international quality standards and our new Fonda primary care center is currently under construction.

You are receiving this newsletter because you helped us achieve these proud moments. You may have attended our amazing 2016 EVENT in June, played golf with us in July or made a gift in support of our dialysis center. However you decided to support our hospital, we are grateful and offer our most sincere thanks.

Geoffrey W. Peck

Littauer Foundation Vice President - Executive Director

Began in September

- A Certificate of Need was approved by the New York State Department of Health in record time
- We have four inpatient beds for dialysis
- Littauer offered education to all employees in the clinical area, including: nursing, pharmacy, lab, and environmental services
- Educational modules included visits to surrounding hospitals and outpatient centers and hands-on competency
- For further information about Littauer's inpatient dialysis, contact:

Deb Henry, RN, assistant nurse manager of Patient Care Services. at ext. 5316

#### "Making a difference"

Kelly Colby, NL foundation coordinator, left, and Janine Dykeman, executive director, Mental Health Association in Fulton and Montgomery Counties

#### Nathan Littauer's **Gingerbread Project** receives the

**Ruth S. Voorhees Award** 

Kelly Colby, NL foundation coordinator, receives the 2016 Ruth S. Voorhees Award from Janine Dykeman, executive director, Mental Health Association in Fulton and Montgomery Counties.

"For the past three years, the Mental Health Association in Fulton and Montgomery Counties has been the recipient agency of the generosity from Littauer's Gingerbread Project. The children and families that have benefitted from the project are amazed by the gifts they receive annually allowing them to have a magical Christmas."

- Janine Dykeman

### *September 1, 2016* Nathan Littauer Hospital and New York State Nurses Association reach a mutual agreement

Nathan Littauer Hospital & Nursing Home is pleased to announce that their Registered Nurses ratified the recently negotiated contract. We are looking forward to putting the past two-and-a half years behind us. The seven-year contract spans the period from January 1, 2014 through December 31, 2020.

Littauer patients and community should know Nathan Littauer Hospital & Nursing Home has always been safely staffed and will continue to be. No staffing increases were asked for or required as part of this new contract. We are also pleased to report that we have negotiated future pay increases as well as pension and health insurance changes both sides find equitable and fair. The agreement ensures our ability to remain a strong and stable healthcare organization.

Hospital staff and administration are happy to be moving forward with a unified focus on caring for our patients.

Littauer names new director at **HEALTHLINK** Tammy Merendo, RN Director of community education

Littauer is proud to announce Tammy Merendo, RN, as the next director of community education working for Littauer's HealthLink. She is filling a position recently vacated by the retired Sue Cridland. Merendo had previously worked as a nurse manager in the Nathan Littauer Nursing Home.

"I am enjoying this exciting new role," said Merendo. "HealthLink offers so much to the community, and this is such a pivotal time to be in public health."

Merendo is a tireless patient advocate and enjoys helping people negotiate their healthcare needs. "I love working in the com-

munity and I look forward to linking people to the many health services offered, including some they may not even know about."

Prior to Littauer, Merendo worked as an RN case manager specializing in HIV/AIDS and Hospice. She has led community projects through Creative Connections Art Center, and assisted with programs such as Adirondack Friends in Need, Red Ribbon Partnership, and Flash Forward 4H group.

Merendo is also the recipient of the 1998 Excellence in Nursing award and the 2001 Most Honorable Student for Health Science Department from Southern Union Community College, 2007 Nurse of Excellence Award for Fulton-Montgomery Community College, and the 2015 Gregory Hove Award from Mountain Valley Hospice.

"I am thrilled to welcome Tammy as our new director at Health-Link," said Littauer VP of Communications and Public Relations Cheryl McGrattan. "Our mission is to bring healthcare into the community. Therefore, I am sure our neighbors will benefit from Tammy's integrity and enthusiasm."

Tammy grew up in Broadalbin and lives in Amsterdam. Merendo took over her new position working out of HealthLink, at 2 Colonial Court in Johnstown, (518) 736-1120, in August.

## New to Littauer: **In-house Dialysis**

As of September 2, hospitalized patients will be able to receive dialysis care in one of our four newly equipped suites.

Two are located on Three West. and two are in the Special Care Unit.
