

The background of the entire poster is a vibrant, festive design. It features a dark blue base with intricate, swirling patterns in a lighter blue and gold. Scattered throughout are numerous small, colorful confetti pieces in shades of red, yellow, green, and purple. Long, flowing streamers in various colors (pink, blue, green, orange) are draped across the top and bottom. Several large, detailed feathers in shades of pink, blue, yellow, and purple are positioned in the lower half, adding to the celebratory theme.
