

**The world has changed since we planned our spectacular trip.**

**The EVENT is Littauer's largest fundraiser, and the need for financial support has never been greater.**

**The rainy day that we have saved for so diligently is upon us for an uncertain time to come.**

**Please consider helping us with your sponsorship dollars, ticket purchases, and donations.**

**We will honor our donors and guests with a gathering as soon as safely possible.**

The NLH & NH Auxiliary’s primary goal is “to aid in the comfort of the patient”. The Auxiliary realizes it’s goal through an ambitious array of programs, fund raisers, and services that enables it to truly enhance the total care of our Hospital and Nursing Home patients.

Auxiliarns are actively a part of our Littauer team. Some of their services include gift shop, information desk, patient mail, veteran’s flag program, blood drives, Tree of Lights, as well as afternoon nourishment, Mass, pet therapy, visiting, story telling, and reading in the Nursing Home.

Donations to our Auxiliary

### Gifts-In-Kind

A gift-in-kind donation is a donation of goods or services. In 2019 the Nathan Littauer Foundation held two major fundraisers; The EVENT and the Adirondack Challenge golf tournament.

For each of these fundraisers the foundation looks to the community to donate silent auction or raffle prizes. This is a great way to help enhance attendees experience, raise additional funds, and showcase your business or unique talent.

Making a Tribute or Memorial Gift

A tribute gift to the Nathan Littauer Foundation is a thoughtful way to show your appreciation to a Littauer doctor or caregiver, celebrate a milestone, or share your sympathies—all while supporting a meaningful cause.

In lieu of flowers, families may request that memorial gifts be directed to support the Nathan Littauer Foundation.

Tribute and memorial gifts can be made online, over the phone, or by mail. When making your donation, please include the name of the person(s) being honored/memo-rialized and, if desired, the mailing address of the honoree or family member so that we may notify them of your thoughtful gesture.

Annual Fund vs. Capital Campaign Money

The annual fund is what is raised over the course of the year and goes towards operations. Annual fund money is raised through events, grant writing, direct mail, and major gifts.

Capital campaign money is used for long term needs. A capital campaign is necessary when you are ready to make a leap to the next level. It often involves a physical building — renovation or new construction. It can also involve an expansion of new programs or services, as well as endowment.

# What a year we had

What a year we had in 2019. We started with such optimism. Our new Broadalbin primary care center opened in March, we broke ground on a beautiful professional practice building on the hospital campus, and we were planning for more bright days to come. The end of the year was quite different as the first rumblings about a virus that would change the world were coming out of China.

Throughout the year, we always had your support. The Foundation continued raising funds for our capital projects, ending the year with nearly six million dollars total credited to the campaign. We had another successful EVENT where we celebrated with a large group of donors, and we received countless gifts from our community that we are so pleased to acknowledge with this publication.

2020 brings the unknown, but we are moving forward with confidence. With your help, we are meeting the daily challenges of caring for our patients' general health while battling the COVID 19 virus. We will close what may be considered as Littauer's most successful chapter with the departure of our beloved leader Larry Kelly. Still, he has prepared us to continue on a path of success, and our hospital Board of Directors will assuredly make a wise decision in selecting a new leader.

Our response to the COVID 19 pandemic has cost Littauer millions of dollars in lost operating revenue. The rainy day that we have prepared for so long has arrived. We have no idea when some sort of normalcy will return or even what to expect our new normal to be. I can assure you, though, that Littauer will be here to serve you as we have for so many years. We will ask for your financial support, and we will remain ever grateful for your assistance. Thank you again for helping Littauer as we care for our community.

Best regards,

Geoffrey W. Peck

A Word From Our President  
To Our Employees

April 1, 2020

Dear Fellow Employees,

Let’s be honest. Every one of us has some anxiety as we walk towards the hospital each day. But we walk in and keep this healthcare organization doing what it has been doing for 125 years. It takes a thousand of us to make this organization be the successful, wonderful, appreciated and vitally needed entity that we are.

The usual rhythm of our organization is to treat emergencies, deliver babies, perform surgeries, take care of inpatients in the hospital, residents in the nursing home and complete hundreds and hundreds of outpatient office visits, exams, tests, procedures and treatments every day. We are very good at it. People rely on us and appreciate the excellent care they receive. But we are faced with a new reality disrupting our usual rhythm.

We have been directed by our President and our Governor to scale back as much of the work we usually do and ready ourselves for this pandemic. So we have.

We do not know what is coming - whether this will mostly pass us by or hit us hard. We hope for the former but are ready for the latter. I think we will now know what it is like to be a soldier in the time of war. General Omar N. Bradley during World War II said,

*“Bravery is the capacity to perform properly  
even when scared to death.”*

This organization is full of brave people. There are heroes among us - lots of them. It takes all of us to operate Nathan Littauer Hospital, and together all of us doing our own singular jobs or taking on new responsibilities will allow us to handle whatever comes our way.

Please know that this hospital, and I, will do everything possible to keep each of us safe while we do our part to care for the members of our community. Let’s stay together and get through this.

Laurence E. Kelly  
President and CEO

# NATHAN LITTAUER

*Hospital & Nursing Home*

## A Word From Our President To Our Community

Dear Citizens,

2019 was a very good year for Nathan Littauer Hospital and Nursing Home. New buildings, new members of our Medical Staff, new technologies for our Medical Staff to use in our operating room suite and throughout the hospital, and great employees working hard for everyone in our community. We also ended the year with a substantial bottom line for the 18th year in a row. Our organization had never been so healthy.

I cannot, though, write about 2019 as I sit here in 2020. No one ended 2019 with anything but enthusiasm for what we would accomplish in 2020. Of course, everything has changed.

You are probably among the dozens, even hundreds, or citizens who have put your support in words to our staff, made and donated face coverings, masks, food and money in support of our employees. All of it is appreciated and inspires all of us. Make no mistake, our employees are performing heroically on behalf of everyone who needs our care. We are all here for you.

On the next page is a letter I sent to all employees on April 1. We admitted our first COVID-19 positive patient the next day and have admitted more since then. We do not know what tomorrow will bring, but we are prepared.

Thank you for your continuing support.

Sincerely,

**Laurence E. Kelly**  
President and CEO  
Nathan Littauer Hospital and Nursing Home
