Making a Tribute or Memorial Gift

A tribute gift to the Nathan Littauer Foundation is a thoughtful way to show your appreciation to a Littauer doctor or caregiver, celebrate a milestone, or share your sympathies—all while supporting a meaningful cause.

In lieu of flowers, families may request that memorial gifts be directed to support the Nathan Littauer Foundation.

Tribute and memorial gifts can be made online, over the phone, or by mail. When making your donation, please include the name of the person(s) being honored/memorialized and, if desired, the mailing address of the honoree or family member so that we may notify them of your thoughtful gesture.

Annual Fund vs. Capital Campaign Money

The annual fund is what is raised over the course of the year and goes towards operations.

Annual fund money is raised through events, grant writing, direct mail, and major gifts.

Capital campaign money is used for long term needs. A capital campaign is necessary when you are ready to make a leap to the next level. It often involves a physical building — renovation or new construction.

It can also involve an expansion of new programs or services, as well as endowment.

Together we can do great things!

To Our Community, Our Patients and Our Donors,

Thank you! But a simple thank-you is not enough to demonstrate how much we appreciate the support and confidence you have had in Nathan Littauer Hospital and Nursing Home over the past year. To say 2020 was a challenging year for all of us would be an understatement.

Nathan Littauer Hospital and Nursing Home and its amazing staff and Medical Staff were graced by the unprecedented support from our community. It once again affirms for Nathan Littauer that our community is here for us as much as we are here for our community.

2020 was also the year that we experienced the retirement of Larry Kelly, who served as the President and CEO of Nathan Littauer Hospital and Nursing Home for the past 19 years. We sincerely thank Mr. Kelly for his leadership of our organization and for leaving Nathan Littauer in a much better position at his retirement than it was when he started. As the new President and CEO of Nathan Littauer Hospital and Nursing Home, I know I have big shoes to fill; but I am up to the challenge.

Nathan Littauer has been through a great deal in 2020, but we have come through the crucible a much stronger organization. In my short time at Nathan Littauer, I have witnessed our staff and Medical Staff do amazing things for our patients and our community – I look forward to working with everyone at Nathan Littauer Hospital and Nursing Home, our community and our donors for our ongoing success.

Thank you for your support and together we can do great things!

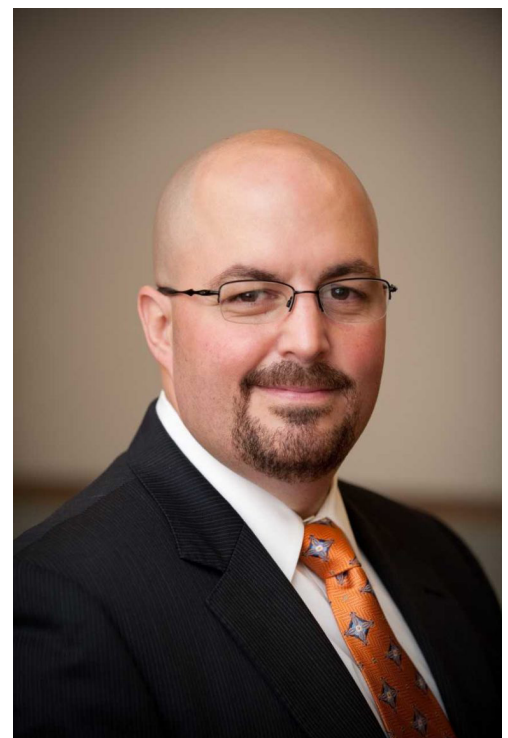

Sincerely,

Sean Fadale, FACHE
President and CEO

Adversity often brings out the very best in people!

Adversity often brings out the very best in people, which certainly has been the case this year. Our community has shown overwhelming support to Littauer patients and staff. Heartwarming letters, donations of food, thousands of hand-made masks, and monetary donations to support our mission have brightened dark days and given hope for better days that we know are ahead.

I offer you thanks on behalf of our nearly 1,000 essential workers.

In 2016, Nathan Littauer Hospital began to contemplate significant capital projects, including a dialysis center, two new primary care centers, and a list of improvements in the hospital. The Nathan Littauer Foundation Board of Directors decided to raise funds to help pay for the more than \$12,000,000 plan. In 2019, a capital campaign quietly began, raising nearly \$7,000,000 in grant and private funds to date. The Foundation's goal was to open the campaign for public support in early 2020, but the Corona Virus's onset forced us to redirect focus to supporting Littauer's immediate pandemic needs. Our on-campus Gloversville Primary Care Center, Broadalbin Primary Care Center, and the Parkhurst - Ferguson Pavillion housing our dialysis center are finished. At the same time, several other significant improvements remain on the to-do list. The Foundation will publicly recognize our lead donors soon, and we expect to conclude the public portion of this campaign in the coming months.

We offer our thanks to all who have already contributed to our campaign's unprecedented success and welcome any support you may be willing to provide to help complete our project plans.

Best regards,

NATHAN LITTAUER
LITTAUER
PATIENT AND FAMILY
ADVISORY COUNCIL

Nathan Littauer Hospital & Nursing Home has joined a growing number of hospitals that have formed a Patient and Family Advisory Council (PFAC). The PFAC forum facilitates patients' and families' participation in providing feedback and suggestions to enhance hospital and nursing home care. Ideas from this group assist Littauer in improving the patient experience across all of our sites and service lines.

PFAC members serve as a community voice. Members advocate for meaningful participation in hospital care, address issues and opportunities for improvement in the patient experience, identify structural, cultural, or other barriers to patient health care access, and recommend strategies to overcome them. The PFAC also acts as a sounding board for new or existing services, policies, health-related programs, communications, and business strategies.

At Littauer, our PFAC members have assisted with projects including the redesign of patient rooms, the development of easier-to-read employee badges, updates to patient communication boards, and launching our palliative care program.

If you are interested in assisting Littauers' mission to be the organization of choice for patients, providers, and employees, please contact the Foundation office at 518-773-5505 for an application.

The NLH & NH Auxiliary's primary goal is "to aid in the comfort of the patient". The Auxiliary realizes it's goal through an ambitious array of programs, fund raisers, and services that enables it to truly enhance the total care of our Hospital and Nursing Home patients.

Auxiliarns are actively a part of our Littauer team. Some of their services include gift shop, information desk, patient mail, veteran's flag program, blood drives, Tree of Lights, as well as afternoon nourishment, Mass, pet therapy, visiting, story telling, and reading in the Nursing Home.

AUXILIARY/VOLUNTEERS

Nathan Littauer Hospital and Nursing Home Auxiliary has been supporting health care in our community since 1894. Our 300-plus members normally support countless operations throughout Nathan Littauer's facilities, including volunteering at the Nursing Home, leading tours around the Hospital, and holding various fundraisers. However due to COVID-19 our volunteers were forced to assist us from their homes. Many volunteers made handmade masks and many helped to package masks for distribution to our patients and employees. They purchased sub sandwiches for an employee luncheon, and provided candy and snacks to the employees for staff appreciation day in March.

They are looking forward to re-instating their regular fundraisers, once COVID-19 restrictions are lifted.
